Concerns and Prayers

Member **Marleen Makowiec** suffered a head injury last month. Marleen was at the Christmas party....but she still needs our prayers. Get better, Marleen.

Member **Debbie Cook** (Geri Henningsen's daughter) will be having heart surgery on Jan. 17th. Let's keep Debbie and family in our prayers for a quick recovery.

Member **RoseMarie Roszkowski** is still not back with us. Let's pray for her strength to return and for her family to be on the road to recovery. If anyone needs a person who does painting, plaster and drywall or a photographer for an event, RoseMarie's sons David and Dennis are available for hire to supplement their income. Please keep them in mind.

Passages

William Henahan, 88, passed on December **26**, 2011. William was a retired Sergeant from DPD and father to retired DPD Sergeant **Patrick Henahan** and father-in-law to former member, **Nancy Henahan**. We are sorry for your loss.

Let us also keep **ALL Police officers** from all over who have fallen in the line of duty since this New Year has begun. Let's pray for a year where ***Police Officers safely end their shift and return home to their families unharmed.***

"If you can't admit you're on the wrong path, you'll never get on the right path, and you'll end up somewhere you never wanted to go."
